## EMOCEAN

**EMOCEAN** is the first explorer yacht from **Rosetti Superyachts**. With a length of 38 meters, a gross tonnage of 410 tons, a beam of 9 meters, a range of 5,000 nm and a fuel consumption of only 60 l/hour, these are just some of the remarkable features that make her a true ocean-going, eco-friendly superyacht capable of long voyages in total comfort.

**EMOCEAN's** modern exterior and flowing lines were designed by the Italian design house Hydrotech. An impressive 350 square meters of deck space, a comfortable layout and floor-to-ceiling windows all around the yacht provide the perfect balance between indoor and outdoor spaces.

The interior has been designed with both style and environmental sustainability in mind. Light tones of furniture are complemented by oak with turquoise inlays to emphasize the naturalness of the interior. In the main salon, the sofas are custom made and the fabrics and carpets are made from recycled ocean plastic. The dining area in the main saloon seats 12 and has fully opening doors to the 150-bottle crystal wine cellar.

**EMOCEAN** sleeps 12 guests. The main deck features a full-beam master stateroom with private office, walk-in closet, en-suite bathroom and balcony accessed by floor-to-ceiling sliding doors. Guest accommodations are located on the lower deck and include two VIP staterooms and two staterooms, each with an additional Pullman berth.

Outdoor seating areas are located aft of the main deck and on the bridge. The crane and garage for the main tender are also located here. The sun deck is the crowning glory of **EMOCEAN** and features a 3.5 meter pool with bar, upholstered sun loungers and an al fresco dining area. The deck area can be covered with glass panels to regulate the temperature.
