AMIGOS

The 55-meter **AMIGOS**, an enhanced version of the popular **Amels 180**, invites you to an unforgettable charter experience in the Bahamas. Designed by Tim Heywood, this yacht boasts a distinctive hull color, while the elegant interiors by Laura Sessa create a serene and inviting ambiance.

The main deck salon is bathed in natural light from large windows, featuring a cozy lounge area perfect for movie nights and fold-down balconies on both sides. Guests can savor gourmet meals in the formal dining area or enjoy alfresco dining on the expansive sun deck.

AMIGOS accommodates up to 12 guests in six exquisitely appointed staterooms. The full-beam master suite on the bridge deck offers a private terrace with breathtaking 180-degree views. The VIP stateroom on the main deck features a fold-down balcony, while two double and two twin staterooms with Pullman berths on the lower deck provide flexible sleeping arrangements.

A standout feature of **AMIGOS** is its extended sun deck, three meters longer than other **Amels 180** models. This space includes a 4-meter pool, an alfresco dining area, sun loungers, an outdoor cinema, and a grill station.

For ultimate relaxation, the yacht boasts a spacious beach club equipped with a hammam, seamless access to water toys, and a fitness area with ocean views. Water sports enthusiasts can enjoy jet skis, paddleboards, water skis, and a full suite of diving gear with an onboard instructor. The yacht also features an 11.3-meter Intrepid 375 chase tender, ideal for exploring nearby islands.

With at-anchor and underway stabilizers, **AMIGOS** ensures smooth and comfortable cruising. Its range of 4,500 nautical miles makes it perfect for exploring the Mediterranean and beyond, combining performance with exceptional luxury.

The best option is to fly into Nassau, which has a major international airport with direct flights from various regions including Europe, the mainland US and Canada.

Bahamas are called paradise islands not only due to the azure water and snow-white sand, but also due to the fact that you can go here on vacation even all year round. The strip of annual Caribbean hurricanes pass through the archipelago infrequently. High season is considered the most comfortable time to stay in the Bahamas. It lasts from November to May.
