MAR

Launched in 2020, **MAR** is the 107-metre flagship gigayacht from **Benetti**. Her steel hull and aluminium superstructure, developed by **Azimut-Benetti**, combine timeless styling with cutting-edge technology. Interiors with ceiling heights up to 2.7 metres are flooded with natural light, creating an exceptional sense of space.

She accommodates up to 16 guests across eight staterooms. The 110 m² owner's suite on the upper deck features private balconies, a study, walk-in wardrobe and spa-style bathroom, while seven VIP staterooms on the main deck offer flexible guest accommodation. A crew of 34 ensures seamless service throughout.

On the lower deck, a 120 m² beach club with fold-out terraces connects directly to the sea and features a full wellness area with hammam, massage room, beauty salon and gym. The sun deck offers an 8-metre heated infinity pool, sun loungers, shaded lounges and multiple al-fresco dining areas, while the upper deck provides an expansive lounge with panoramic views. A forward "touch-and-go" helipad adds further convenience.

MAR's Rolls-Royce diesel-electric propulsion delivers a maximum speed of 18.5 knots and a cruising speed of 16 knots. With a gross tonnage of 3,900 GT, a range of 4,700 nautical miles and 60,000 litres of fresh-water capacity, she is designed for extended cruising in complete comfort.

Her extensive water-toy selection includes tenders, Sea-Doos, Seabobs, eFoil, kayaks, SUP boards, windsurfing gear, fishing and diving equipment, inflatable towables and a full beach set-up for on-shore fun.

MAR offers a rare opportunity to experience unforgettable moments aboard one of the world's largest and most advanced gigayachts.
