MI ALMA

MI ALMA is a stunning 31-meter motor yacht, perfectly equipped for luxurious charters in Greece. Built by the renowned **Sunseeker** shipyard in 2001, **MI ALMA** underwent extensive refits in 2016 and 2021, ensuring she offers a modern and sophisticated cruising experience. Accommodating up to 10 guests in 4 spacious cabins, each designed for maximum comfort and privacy, the yacht provides an ideal retreat for families or groups of friends.

The yacht's layout emphasizes a seamless connection between interior and exterior spaces. The aft deck on the main level serves as the focal point for outdoor relaxation and leads directly to the heart of the yacht - the main salon, which combines elegance and functionality.

The cabin configuration includes 2 double cabins, 2 twin cabins, and 2 Pullman beds, offering versatile accommodation options.

Powered by twin 2000 hp MTU engines, **MI ALMA** cruises comfortably at 18 knots. Her onboard stabilizers enhance stability and ensure a smooth experience both at anchor and underway.

Outdoor living is at the core of **MI ALMA's** design, featuring a spacious flybridge, comfortable lounging areas, and a large swim platform for easy access to the water. Guests can enjoy an impressive selection of water toys, including a 4.95m ZAR tender with a 60 hp Yamaha engine, a Sea-Doo jet ski, a Seabob, towable inflatables, paddleboards, two-person kayaks, a Jetovator, and water skiing equipment.

MI ALMA guarantees an unforgettable charter experience, blending style, comfort, and adventure in the idyllic waters of Greece.

DESTINATIONS

GREECE

Greece, a land of fabulous beauty, remains one of the world's most popular travel destinations and has almost 15,000 kilometers of coastline and over 2,000 islands, of which only 170 are inhabited.

There is no better way to explore the beauty of the Greek islands and the coastline of mainland Greece than on a private yacht. By chartering a yacht, you can see unique landscapes and experience the culture of several islands in a short period of time. Some of the islands have airports, making it possible to get to the yacht fairly quickly. The islands are close to each other, and the term "island-hopping" is used here for a reason. You can easily visit a dozen islands during a short cruise, explore isolated beaches with their unique local culture and taste the freshest national food.

Greece has over 250 days of sunshine a year and a typical Mediterranean climate with hot, dry summers. The peak cruising season is the summer from June to August, however, May, Sep...
