SERENISSIMA III

Step aboard **SERENISSIMA III**, the elegant new 24-metre sailing catamaran from **Fountaine Pajot**, launched in 2024 and designed by Berret-Racoupeau. Combining sleek lines with expansive open-air living spaces and a luminous modern interior, this FP 80 offers an ideal charter platform for discerning guests seeking both relaxation and adventure.

Her generous outdoor areas include a spacious flybridge that functions as an open-air lounge, while the forward cockpit features a jacuzzi and plush lounging areas — perfect for soaking in panoramic views. The aft cockpit is equipped with a large alfresco dining table that seamlessly flows into the main salon, creating a continuous indoor-outdoor living experience.

Inside, **SERENISSIMA III** impresses with her contemporary interior and high-level comfort. She accommodates up to 10 guests in five ensuite cabins, including a luxurious owner's suite with a private jacuzzi, a VIP cabin, and three guest cabins with queen-size beds. The galley, thoughtfully placed on the main deck, allows for smooth service and enhances the open-plan layout.

Fully equipped for fun and exploration, **SERENISSIMA III** offers a wide array of toys and tenders: Seabobs, Seawings, a jet ski, jet surf, paddleboards, wakeboard, water skis, snorkelling and fishing gear — and even a Nintendo Switch for younger guests.

A professional crew of five, including a skilled captain, talented chef, and attentive stewards, ensure that every moment on board is seamless, indulgent, and unforgettable. Whether you're cruising the Mediterranean or island-hopping in the Caribbean, **SERENISSIMA III** delivers a refined sailing experience with all the comforts of a superyacht.

DESTINATIONS

GREECE

Greece, a land of fabulous beauty, remains one of the world's most popular travel destinations and has almost 15,000 kilometers of coastline and over 2,000 islands, of which only 170 are inhabited.

There is no better way to explore the beauty of the Greek islands and the coastline of mainland Greece than on a private yacht. By chartering a yacht, you can see unique landscapes and experience the culture of several islands in a short period of time. Some of the islands have airports, making it possible to get to the yacht fairly quickly. The islands are close to each other, and the term "island-hopping" is used here for a reason. You can easily visit a dozen islands during a short cruise, explore isolated beaches with their unique local culture and taste the freshest national food.

Greece has over 250 days of sunshine a year and a typical Mediterranean climate with hot, dry summers. The peak cruising season is the summer from June to August, however, May, Sep...
