MOTOR YACHT

MIRAGE

Step aboard **MIRAGE**, a classic 53-metre **Feadship** superyacht where timeless elegance meets contemporary luxury. Originally launched in 1979 as DARIA, she underwent a transformative 10-month refit at Pendennis Shipyard in 2007. The project included a five-metre transom extension and a complete redesign of all guest and crew areas. With ongoing upgrades - including a recent full repaint and the installation of a state-of-the-art bridge - **MIRAGE** stands today as a modern icon of classic yachting.

Her interiors, styled by Design Unlimited, create a warm, sophisticated ambiance with rich wood finishes, textured fabrics, and carefully curated artworks.

Accommodating up to 12 guests in eight cabins, **MIRAGE** is attended by a dedicated crew of 14, offering highly personalised service. Expansive exterior spaces include a generous main aft deck, elegant bridge deck salons, and a vast sundeck featuring a mosaic jacuzzi and open-air gym - perfect for socialising or quiet relaxation.

Committed to sustainability, **MIRAGE** is a proud signatory of the Clear Oceans Pact, actively reducing single-use plastics onboard and supporting global carbon offset initiatives - allowing guests to experience the ocean while helping to preserve it.

For added comfort, she's equipped with zero-speed stabilisers and a professional wellness team, including a massage therapist and yoga/pilates instructor. Her outstanding water toy collection features jet skis, Seabobs, racing sailboats, scuba and snorkelling gear, and kitesurfing equipment.

Whether you're soaking in the jacuzzi at sunset or heading off for a day of waterborne adventure, **MIRAGE** offers a refined charter experience that blends classic heritage with forward-thinking luxury.

DESTINATIONS

CROATIA

Embark on a journey of unparalleled beauty in Croatia! Picture yourself sailing along the stunning Adriatic coastline, exploring hidden gems like Diocletian's Palace in Split. With crystal-clear waters, charming villages, and a rich history, Croatia is a dream destination for yacht charters. Indulge in the Mediterranean sun and create unforgettable memories on the open seas. Your Croatian yacht charter adventure awaits!

While Croatia enjoys a Mediterranean climate, the warmest period is during the European summer (July-August). However, booking a yacht charter in Croatia during the shoulder seasons (May-June or September-October) still provides warm weather for swimming in the Adriatic's crystal-clear waters, minus the peak tourist crowds.

DESTINATIONS

GREECE

Greece, a land of fabulous beauty, remains one of the world's most popular travel destinations and has almost 15,000 kilometers of coastline and over 2,000 islands, of which only 170 are inhabited.

There is no better way to explore the beauty of the Greek islands and the coastline of mainland Greece than on a private yacht. By chartering a yacht, you can see unique landscapes and experience the culture of several islands in a short period of time. Some of the islands have airports, making it possible to get to the yacht fairly quickly. The islands are close to each other, and the term "island-hopping" is used here for a reason. You can easily visit a dozen islands during a short cruise, explore isolated beaches with their unique local culture and taste the freshest national food.

Greece has over 250 days of sunshine a year and a typical Mediterranean climate with hot, dry summers. The peak cruising season is the summer from June to August, however, May, Sep...
