# FREYA

**FREYA** is a 45-metre classic expedition yacht purpose-built for true Arctic exploration. With an ice-strengthened 1A hull, she is designed to navigate safely in some of the world's most extreme environments, making her the perfect platform for high-latitude adventures. Whether cruising past calving glaciers or observing polar bears in their natural habitat, each day aboard **FREYA** offers an unforgettable encounter with nature at its most raw and awe-inspiring.

Exceptionally well equipped for extended voyages in remote areas, **FREYA** accommodates up to 12 guests in seven ensuite cabins, including an owner's suite, four VIP cabins, and two additional guest cabins. Her inviting social areas include a warm and elegant lounge, a well-stocked bar, and a dining area perfect for sharing stories after a day of exploration. Guests can unwind in the onboard sauna or take in the Arctic panorama from the deck jacuzzi.

Expeditions are led by experienced guides, with two Zodiac tenders available for landing on remote shores, wildlife encounters, or photography excursions.

With a seasoned crew, proven itineraries, and the freedom to venture far off the beaten path, **FREYA** offers a charter experience that is both cozy and exhilarating - an ideal way to explore the breathtaking polar regions in comfort and safety.
