MOTOR YACHT

CHANTAL

CHANTAL is a classic 38.7-metre motor yacht that offers an elegant and immersive charter experience amid the dramatic beauty of Norway's fjords. Originally built in 1965 by **Global Engineering** and most recently refitted in 2020, **CHANTAL** seamlessly blends timeless interiors and vintage character with modern comforts.

Cruising through Norway's majestic landscapes aboard **CHANTAL** is an ideal way to explore this extraordinary destination. Her spacious decks provide uninterrupted views of cascading waterfalls, towering cliffs, and storybook villages, while her stable cruising speed ensures a smooth, unhurried journey. Whether you're hiking, kayaking, cycling, ziplining, or exploring charming historic towns, each day of adventure ends with comfort and style - perhaps with a glass of wine and a soak in the deck jacuzzi. For a truly unique experience, guests can even enjoy clay pigeon shooting from the aft deck - just one of the ways **CHANTAL** delivers a yachting adventure unlike any other.

Inside, **CHANTAL's** interior pairs classic styling with refined contemporary touches. Warm, light-filled spaces evoke the atmosphere of a much larger yacht, offering generous areas for both relaxation and entertainment. She accommodates up to 8 guests in four well-appointed cabins, including a full-beam master suite on the main deck, two VIP doubles, and a twin cabin—perfect for families or couples traveling together. A dedicated crew of seven ensures impeccable service throughout the journey.

With her understated elegance, welcoming charm, and carefully curated experiences, **CHANTAL** is a one-of-a-kind gateway to some of the most breathtaking cruising grounds in the world.
