# FIREBIRD

**FIREBIRD** is a 69.4-metre **Feadship** motor yacht that showcases premium craftsmanship, exceptional detailing, and modern engineering throughout. Built to the highest Dutch standards, she underwent an extensive refit in 2021, refining both her technical and guest areas to deliver a top-tier charter experience. Her interiors, styled by Michael Leach Design, feature a rich palette of natural marble, fine wood panelling, and high-end textiles. **FIREBIRD** accommodates up to 12 guests in 7 suites, including a spectacular split-level master suite with two private bathrooms, a lounge, a private balcony, and direct access to a foredeck seating area. Additional accommodation includes a full-beam VIP suite and guest cabins that can be flexibly configured for couples or families.

The yacht's versatile social spaces are designed for both relaxation and entertainment. The main salon can be transformed for events or gatherings, while the formal dining room opens onto a fold-out balcony for alfresco elegance. The sky lounge features blackout blinds and a large cinema screen, creating the perfect setting for movie nights.

Outdoors, guests will find a jacuzzi, sun loungers, a full bar, and a 12-seat dining table for meals under the stars. The yacht's expansive deck areas are ideal for enjoying life at sea in style.

**FIREBIRD** is also equipped for high-energy adventure. Her toy collection includes two 8-metre tenders, jet skis, eFoils, Seabobs, scuba gear, and a variety of inflatables. A certified dive master and watersports instructor are onboard to ensure both safety and fun for guests of all ages and experience levels.
