MOTOR YACHT

UNBRIDLED

UNBRIDLED is a 58.2-meter motor yacht with a gross tonnage of 803 GT, delivered by renowned American shipyard **Trinity Yachts** in 2009. Maintained under single ownership since launch, she underwent a comprehensive interior refit in 2015, followed by a full hull repaint and technical upgrades in 2019. Meticulously maintained throughout her life, **UNBRIDLED** is offered in turnkey condition. Accommodation is provided for up to 12 guests across six well-appointed staterooms. The full-beam master suite is located on the main deck and features a private office. Also on the main deck is a convertible stateroom offering added flexibility. The lower deck houses four guest cabins, including two generous VIPs with double beds and two versatile twin cabins, each with additional pull-out sofas for extra berths.

Social areas are expansive and thoughtfully designed for relaxation and entertainment. The main salon features a formal dining area, while the skylounge offers a bar and multiple lounging zones. The open decks are equally impressive - on the sundeck, guests will find a Jacuzzi, bar, gym equipment, and sun loungers. The upper aft deck is arranged for alfresco dining.

UNBRIDLED is fully equipped for adventure, featuring an impressive selection of water toys and sports gear: a 42-foot towed tender with Starlink connectivity, a 32-foot Vanquish tender, a 28-foot Zodiac Hurricane, Jet Skis, Seabobs, kayaks, surfboards, fishing gear, snorkeling and diving equipment including a compressor and Nitrox system, plus a full beach setup and BBQ kit.

With her versatile layout, strong technical pedigree, and proven charter appeal, **UNBRIDLED** is a true go-anywhere superyacht ready for her next owner.
