MOTOR YACHT

MY LADY

MY LADY is a 26-meter **Ferretti 830** motor yacht featuring elegant Italian styling by Zuccon International Project. This model combines comfort, performance, and smart functionality. Notably, **MY LADY** is the first in this series to offer a panoramic window in the master suite, providing stunning sea views from both the bedroom and the bathroom.

She accommodates up to 8 guests in four cabins, each with en-suite facilities. The full-beam master suite is located amidships on the lower deck and includes a double bed, a sofa, and a spacious bathroom with panoramic windows. The forward VIP suite rivals the master in size, while the two additional guest cabins - one with a double bed and one with twin beds - feature ample natural light and modern entertainment systems.

The bright main salon is finished with glossy cherry wood furnishings, equipped with a large plasma TV and a dining table for eight. From the salon, guests access the aft deck, which hosts an inviting alfresco dining area. The flybridge offers a second dining space along with sun loungers, while the foredeck features a large sunbathing area for those seeking maximum relaxation.

Powered by twin MTU engines delivering a combined 1,822 hp, **MY LADY** comfortably cruises at 30 knots and can reach a top speed of 33 knots. She is ideally suited for warm, calm waters such as the Gulf of Aqaba and the Suez Canal region, where she enjoys year-round navigation.

For water sports enthusiasts, the yacht offers a selection of toys including a Zodiac Bay-Runner 420 tender with a 50 hp Evinrude outboard, wakeboards, inflatables, double kayaks, and snorkeling and diving gear available on request.

A professional crew of four ensures exceptional service on board. **MY LADY** is fully equipped with modern amenities such as satellite TV, Wi-Fi, autopilot, radar, and air conditioning throughout all living spaces.
