## TRIDENT

**TRIDENT** is a 65-meter motor yacht built by **Feadship** in 2009, showcasing the pinnacle of Dutch shipbuilding craftsmanship. Her exterior was designed by Donald Starkey and De Voogt, blending classic **Feadship** elegance with contemporary touches - featuring an extended bow, curved glass bulwarks, and sleek upper deck wings. The interior, by Donald Starkey, reflects a refined and understated style with rich dark woods, marble, and glossy finishes.

The yacht accommodates up to 12 guests in 8 cabins. The full-beam master suite on the main deck boasts a king-size bed, separate his-and-hers bathrooms, and a spacious walk-in wardrobe. In addition to a VIP suite with a king-size bed, there are four further VIP cabins and two guest cabins with twin beds. A professional crew of 16 ensures impeccable service onboard.

Outdoor amenities include a jacuzzi on the upper deck, expansive sunbathing areas, alfresco dining spaces, and a fully equipped gym. **TRIDENT** is fitted with an elevator for easy access between decks and stabilization systems that enhance comfort underway and at anchor.

Built with a steel hull and aluminum superstructure, **TRIDENT** complies with MCA and Lloyd's Register safety standards. She cruises comfortably at 14 knots with a maximum speed of 16 knots, offering an impressive range of 5,758 nautical miles - ideal for extended voyages throughout the Mediterranean and Red Sea.

For water sports enthusiasts, **TRIDENT** offers a wide variety of toys, including flyboarding equipment, jet skis, water skis, wakeboards, SeaBobs for diving, kayaking, and kitesurfing gear. The yacht carries three tenders, including an Axopar Chase Tender, providing easy access to shore and exploration of nearby areas.

# DESTINATIONS

## CROATIA

Embark on a journey of unparalleled beauty in Croatia! Picture yourself sailing along the stunning Adriatic coastline, exploring hidden gems like Diocletian's Palace in Split. With crystal-clear waters, charming villages, and a rich history, Croatia is a dream destination for yacht charters. Indulge in the Mediterranean sun and create unforgettable memories on the open seas. Your Croatian yacht charter adventure awaits!

While Croatia enjoys a Mediterranean climate, the warmest period is during the European summer (July-August). However, booking a yacht charter in Croatia during the shoulder seasons (May-June or September-October) still provides warm weather for swimming in the Adriatic's crystal-clear waters, minus the peak tourist crowds.

## GREECE

Greece, a land of fabulous beauty, remains one of the world's most popular travel destinations and has almost 15,000 kilometers of coastline and over 2,000 islands, of which only 170 are inhabited.

There is no better way to explore the beauty of the Greek islands and the coastline of mainland Greece than on a private yacht. By chartering a yacht, you can see unique landscapes and experience the culture of several islands in a short period of time. Some of the islands have airports, making it possible to get to the yacht fairly quickly. The islands are close to each other, and the term "island-hopping" is used here for a reason. You can easily visit a dozen islands during a short cruise, explore isolated beaches with their unique local culture and taste the freshest national food.

Greece has over 250 days of sunshine a year and a typical Mediterranean climate with hot, dry summers. The peak cruising season is the summer from June to August, however, May, Sep...

## MONTENEGRO

Montenegro is the perfect charter destination, where centuries-old architecture blends perfectly with modern hotels, bars and restaurants. From sailing Montenegro's azure waters on a charter yacht to exploring forested mountains, rocky cliffs and small villages nestled on sheer cliffs, this tiny Balkan country is a paradise for discerning travelers.

You can cruise the stunning rocky shores of the Bay of Kotor, known as the southernmost fjord, where emerald cliffs rise above crystal clear blue waters, or the Lustica Peninsula. A cultural attraction since the 17th century is the Ostrog Monastery, located in Montenegro's vertical cliffs, where the remains of St. Basil of Ostrog are kept.

The best time to visit Montenegro is between May and October. At this time you will enjoy pleasant sunny weather, and the sea temperature of 25°C will allow you to relax in the azure waters of the Adriatic Sea.
