## LAUREN L

**LAUREN L** is a 90-meter motor superyacht built by **Cassens-Werft** in Germany and designed by Alpha Marine, launched in 2002 and extensively refitted in 2016–2017. She offers an extraordinary charter platform, accommodating up to 36 guests in 20 staterooms, attended to by a dedicated crew of 40, ensuring bespoke service and attention to detail.

The guest accommodation includes a full-beam master suite, one VIP cabin, eight double staterooms, and ten twin guest cabins, all thoughtfully arranged to provide privacy, space, and comfort.

The yacht's interior is styled in a timeless classic décor, featuring soft neutral tones, premium finishes, and generous salons that create a warm, inviting atmosphere.

The recent refit brought updates to key areas including the master suite, main salon, dining room, and AV systems, seamlessly blending traditional elegance with modern technology.

**LAUREN L** is equally well-suited for private cruising or exclusive events. She features a fully equipped wellness center with a massage room, steam room, sauna, aromatherapy station, and beauty salon. Additional amenities include a gym, library, conference room, cinema, and a children's playroom. While at anchor, the yacht can host up to 300 guests, making it a top-tier venue for corporate events, weddings, and celebrations.

Constructed with a steel hull and wooden superstructure, **LAUREN L** is powered by a Caterpillar diesel engine and twin generators, cruising comfortably at 12.5 knots. Her proven seaworthiness and excellent stability ensure a smooth experience in a wide range of cruising conditions.

For active guests, **LAUREN L** boasts an impressive selection of water toys and sports equipment, including a Super Air Nautique G23 for wakeboarding, Jet Skis, Seabobs, Jet Surf, hoverboard, flyboard, kayaks, SUPs, diving and snorkeling gear, and a range of inflatable attractions such as a water...

# DESTINATIONS

## CROATIA

Embark on a journey of unparalleled beauty in Croatia! Picture yourself sailing along the stunning Adriatic coastline, exploring hidden gems like Diocletian's Palace in Split. With crystal-clear waters, charming villages, and a rich history, Croatia is a dream destination for yacht charters. Indulge in the Mediterranean sun and create unforgettable memories on the open seas. Your Croatian yacht charter adventure awaits!

While Croatia enjoys a Mediterranean climate, the warmest period is during the European summer (July-August). However, booking a yacht charter in Croatia during the shoulder seasons (May-June or September-October) still provides warm weather for swimming in the Adriatic's crystal-clear waters, minus the peak tourist crowds.

## GREECE

Greece, a land of fabulous beauty, remains one of the world's most popular travel destinations and has almost 15,000 kilometers of coastline and over 2,000 islands, of which only 170 are inhabited.

There is no better way to explore the beauty of the Greek islands and the coastline of mainland Greece than on a private yacht. By chartering a yacht, you can see unique landscapes and experience the culture of several islands in a short period of time. Some of the islands have airports, making it possible to get to the yacht fairly quickly. The islands are close to each other, and the term "island-hopping" is used here for a reason. You can easily visit a dozen islands during a short cruise, explore isolated beaches with their unique local culture and taste the freshest national food.

Greece has over 250 days of sunshine a year and a typical Mediterranean climate with hot, dry summers. The peak cruising season is the summer from June to August, however, May, Sep...

## MONTENEGRO

Montenegro is the perfect charter destination, where centuries-old architecture blends perfectly with modern hotels, bars and restaurants. From sailing Montenegro's azure waters on a charter yacht to exploring forested mountains, rocky cliffs and small villages nestled on sheer cliffs, this tiny Balkan country is a paradise for discerning travelers.

You can cruise the stunning rocky shores of the Bay of Kotor, known as the southernmost fjord, where emerald cliffs rise above crystal clear blue waters, or the Lustica Peninsula. A cultural attraction since the 17th century is the Ostrog Monastery, located in Montenegro's vertical cliffs, where the remains of St. Basil of Ostrog are kept.

The best time to visit Montenegro is between May and October. At this time you will enjoy pleasant sunny weather, and the sea temperature of 25°C will allow you to relax in the azure waters of the Adriatic Sea.
