MOTOR YACHT

MISS KULANI

MISS KULANI is a 22.86-meter motor yacht built by **Marlow Yachts** in 2010, offering an excellent balance of performance, practicality, and onboard comfort. With her compact size and shallow draft, she is perfectly suited for cruising lagoon waters and island regions, particularly in the South Pacific.

She accommodates up to 6 guests across three well-appointed cabins, including a full-beam master suite with a private en-suite bathroom. The interior is styled in light, neutral tones, creating a relaxed and inviting atmosphere. A comfortable salon with an integrated bar area and an entertainment system provides the ideal indoor social space.

The cockpit features an al fresco dining area with direct access to the wide swim platform and outdoor shower, while the flybridge offers a sunbathing space with panoramic views. Powered by diesel engines, **MISS KULANI** reaches a top speed of 26 knots and cruises efficiently at around 12 knots, making her ideal for both short hops and longer island explorations.

Her water toy collection includes a 13' Boston Whaler tender, wakeboard, water skis, snorkeling gear, towable inflatables, light fishing tackle, and surfboards - ensuring plenty of opportunities for fun on the water.

With her fuel-efficient operation, well-thought-out layout, and excellent technical condition, **MISS KULANI** offers a versatile and comfortable charter experience in some of the most breathtaking waters of the South Pacific.
