## DE LISLE III

**DE LISLE III** is a 42-meter motor yacht built by **Gulf Craft** with naval architecture by Frank Mulder Design. She underwent a full refit in 2024, which included upgrades to her navigation systems, interior décor, and technical equipment, bringing her up to modern superyacht standards.

The yacht accommodates up to 11 guests in five well-appointed cabins. The full-beam master suite is located on the main deck, while the lower deck houses a VIP cabin, two double cabins - one with an additional Pullman berth - and a twin cabin. Each stateroom features an en-suite bathroom and is styled in a neutral, contemporary palette. A crew of up to seven ensures attentive service throughout the journey.

Exterior spaces are designed for open-air living and entertainment, including an alfresco dining area on the main aft deck, a bar on the upper deck, and a jacuzzi on the sun deck with panoramic sea views. The transom area features a teak swim platform for easy access to the water.

**DE LISLE III** is equipped with two tenders: a 10-meter Silvercraft ideal for diving and shore transfers, and a 6.1-meter BRIG. The yacht also offers a wide range of water toys, including jet skis, underwater scooters, surfboards, stand-up paddleboards, wakeboards, water skis, towable inflatables, fishing gear, and a full scuba diving setup with compressor.

With impressive range and performance, **DE LISLE III** is perfectly suited for extended cruising in the South Pacific. She is an established charter yacht and fully licensed for operations in Australian waters as well as Fiji, Vanuatu, the Solomon Islands, and Papua New Guinea.
