MOTOR YACHT

EMOTION²

Launched in 2007 by **CRN Ancona** with design by Zuccon International Project, **EMOTION²** was the first in a series of nine yachts, introducing a number of innovative features that have since become industry standards: a beach club, gym with sauna, side-loading tender garage, and enlarged guest cabin windows. Regularly upgraded (2012, 2017, 2024) and maintained by the same captain and crew for over a decade, she is presented in excellent condition.

Accommodation is for 10 guests across 5 cabins, including a master suite with a private balcony, large bathroom, and panoramic window. Up to 9 crew ensure seamless service on board.

Her social areas are generous, with multiple indoor and outdoor lounges. The sundeck is a true highlight, featuring an open-air cinema, a four-person jacuzzi, and even a golf setup with biodegradable balls and a floating FunAir green. Wellness facilities include a fully equipped gym and sauna.

The yacht carries an extensive collection of water toys: a 9.9m Boston Whaler 320 Outrage (600hp), a secondary tender, 2 Yamaha jet skis, 3 Seabobs, SUPs, kayaks, waterskis, wakesurf, snorkeling and fishing gear, plus an inflatable dock for easy launch and recovery. Certified as an RYA Jet Ski Training Centre, she offers added fun for active guests.

Powered by twin CAT diesel engines (2,088 kW), **EMOTION²** cruises comfortably at 12 knots with TRAC stabilizers ensuring smooth sailing both underway and at anchor.

DESTINATIONS

GREECE

Greece, a land of fabulous beauty, remains one of the world's most popular travel destinations and has almost 15,000 kilometers of coastline and over 2,000 islands, of which only 170 are inhabited.

There is no better way to explore the beauty of the Greek islands and the coastline of mainland Greece than on a private yacht. By chartering a yacht, you can see unique landscapes and experience the culture of several islands in a short period of time. Some of the islands have airports, making it possible to get to the yacht fairly quickly. The islands are close to each other, and the term "island-hopping" is used here for a reason. You can easily visit a dozen islands during a short cruise, explore isolated beaches with their unique local culture and taste the freshest national food.

Greece has over 250 days of sunshine a year and a typical Mediterranean climate with hot, dry summers. The peak cruising season is the summer from June to August, however, May, Sep...

DESTINATIONS

TURKEY

A typical day on a private yacht in Turkey is as much about water activities as it is about endless coastal walks. Look around and you'll find extraordinary stone slabs of cliffs on steep, winding shores, sleepy hilltop villages and ancient ruins - relics of mighty empires - living out their days in the dense coastal vegetation. Boat transitions between islands can be short, giving you the opportunity to enjoy peaceful morning wakes and lazy strolls around the islands and small villages. And if the hiking proves to be too much, you can re-board and relax in the shade on the deck of your yacht. Turkey is a country with a rather hot climate, during the summer season, from June to August, temperatures can rise above 40°C, however, May, September and October are the most pleasant months for chartering in this region, the temperature drops to around 20-25°C and you can comfortably enjoy your trip.
