MOTOR YACHT

TOR

Princess Y85 TOR exemplifies modern British yacht design, seamlessly blending performance, comfort, and engineering excellence. Built in 2021 by **Princess Yachts**, this 26.2-metre motor yacht reflects the brand's commitment to premium quality and meticulous attention to detail.

Her sleek hull lines emphasize a sporty character, while twin MAN V12 engines (1,900 hp each) deliver confident acceleration and a cruising speed of up to 30 knots. The Sleipner Hydraulic Vector Fin Stabilizers ensure stability and comfort both underway and at anchor.

The main salon combines a lounge, dining area, and bar, filled with natural light from panoramic windows. A fully equipped galley is conveniently located nearby, making guest service seamless.

Sliding doors open to the aft deck, featuring an al fresco dining area, while the flybridge offers additional relaxation space with a bar, sun loungers, and lounge seating - perfect for daytime sunbathing or evening gatherings.

Below deck, **TOR** accommodates up to eight guests in four cabins: three double cabins and one twin cabin, each with en suite bathrooms finished in natural marble and spacious showers.

For water activities, **TOR** carries a Williams 495 Sport Jet tender, ideal for short trips, shore landings, and active fun on the water.

This combination of elegant design, performance, and thoughtful layout makes **Princess Y85 TOR** an exceptional choice for both private cruising and luxury charters.
