VOLO MARE

VOLO MARE is a 38-metre, three-deck Azimut yacht, launched in 2023, designed for comfortable charter cruising.

Accommodation is for up to 12 guests in six cabins, with a flexible layout: either five double cabins and one twin, or three double and three twin cabins. The main deck master suite features a fold-down balcony.

Outdoor spaces include relaxation and dining areas, such as a beach club with direct water access, a foredeck jacuzzi, multiple lounges, and alfresco dining areas on the upper deck and sun deck.

For water activities, the yacht is equipped with a Williams tender, jet ski, several Seabobs, electric surfboard, water skis, inflatable toys, a dock pontoon, and the option to use an Axopar 28 as a chase tender. Connectivity on board is provided via Starlink.

The crew of eight ensures the yacht is maintained in pristine condition and delivers professional service. **VOLO MARE** combines speed, stability, and well-thought-out layouts, making her ideal for active leisure and comfortable island-hopping cruising.

DESTINATIONS

CROATIA

Embark on a journey of unparalleled beauty in Croatia! Picture yourself sailing along the stunning Adriatic coastline, exploring hidden gems like Diocletian's Palace in Split. With crystal-clear waters, charming villages, and a rich history, Croatia is a dream destination for yacht charters. Indulge in the Mediterranean sun and create unforgettable memories on the open seas. Your Croatian yacht charter adventure awaits!

While Croatia enjoys a Mediterranean climate, the warmest period is during the European summer (July-August). However, booking a yacht charter in Croatia during the shoulder seasons (May-June or September-October) still provides warm weather for swimming in the Adriatic's crystal-clear waters, minus the peak tourist crowds.

DESTINATIONS

GREECE

Greece, a land of fabulous beauty, remains one of the world's most popular travel destinations and has almost 15,000 kilometers of coastline and over 2,000 islands, of which only 170 are inhabited.

There is no better way to explore the beauty of the Greek islands and the coastline of mainland Greece than on a private yacht. By chartering a yacht, you can see unique landscapes and experience the culture of several islands in a short period of time. Some of the islands have airports, making it possible to get to the yacht fairly quickly. The islands are close to each other, and the term "island-hopping" is used here for a reason. You can easily visit a dozen islands during a short cruise, explore isolated beaches with their unique local culture and taste the freshest national food.

Greece has over 250 days of sunshine a year and a typical Mediterranean climate with hot, dry summers. The peak cruising season is the summer from June to August, however, May, Sep...
