MOTOR YACHT

HALLO

HALLO is a 51-metre megayacht built in 2014 by **Miss Tor Yachts** and refitted in 2020 at **RMK Marine**. With a steel hull, modern naval architecture, and a practical layout, she offers stability, reliability, and comfort for extended cruising.

She accommodates 12 guests in six cabins:

- a master suite on the upper deck with a private lounge and its own terrace,
- a VIP cabin on the main deck for convenient access to the yacht's social areas,
- and four double guest cabins on the lower deck.

The sundeck features a jacuzzi and a large sunbathing area; the aft main deck offers a relaxed lounge setup with sofas and a dining table perfect for casual meals. The swim platform includes a rotating staircase for easier access to the water, while the upper deck aft provides a C-shaped lounge and technical space used for staging water toys.

HALLO carries a full selection of equipment for active guests, including jet skis, Seabobs, inflatables, snorkelling and fishing gear. An experienced crew of 11 ensures smooth operations and a high level of service.

Combining smart spatial planning, modern technical systems, and extensive leisure amenities, **HALLO** is well-suited for comfortable charters across the Eastern Mediterranean.

DESTINATIONS

CROATIA

Embark on a journey of unparalleled beauty in Croatia! Picture yourself sailing along the stunning Adriatic coastline, exploring hidden gems like Diocletian's Palace in Split. With crystal-clear waters, charming villages, and a rich history, Croatia is a dream destination for yacht charters. Indulge in the Mediterranean sun and create unforgettable memories on the open seas. Your Croatian yacht charter adventure awaits!

While Croatia enjoys a Mediterranean climate, the warmest period is during the European summer (July-August). However, booking a yacht charter in Croatia during the shoulder seasons (May-June or September-October) still provides warm weather for swimming in the Adriatic's crystal-clear waters, minus the peak tourist crowds.

DESTINATIONS

GREECE

Greece, a land of fabulous beauty, remains one of the world's most popular travel destinations and has almost 15,000 kilometers of coastline and over 2,000 islands, of which only 170 are inhabited.

There is no better way to explore the beauty of the Greek islands and the coastline of mainland Greece than on a private yacht. By chartering a yacht, you can see unique landscapes and experience the culture of several islands in a short period of time. Some of the islands have airports, making it possible to get to the yacht fairly quickly. The islands are close to each other, and the term "island-hopping" is used here for a reason. You can easily visit a dozen islands during a short cruise, explore isolated beaches with their unique local culture and taste the freshest national food.

Greece has over 250 days of sunshine a year and a typical Mediterranean climate with hot, dry summers. The peak cruising season is the summer from June to August, however, May, Sep...

DESTINATIONS

MONTENEGRO

Montenegro is the perfect charter destination, where centuries-old architecture blends perfectly with modern hotels, bars and restaurants. From sailing Montenegro's azure waters on a charter yacht to exploring forested mountains, rocky cliffs and small villages nestled on sheer cliffs, this tiny Balkan country is a paradise for discerning travelers.

You can cruise the stunning rocky shores of the Bay of Kotor, known as the southernmost fjord, where emerald cliffs rise above crystal clear blue waters, or the Lustica Peninsula. A cultural attraction since the 17th century is the Ostrog Monastery, located in Montenegro's vertical cliffs, where the remains of St. Basil of Ostrog are kept.

The best time to visit Montenegro is between May and October. At this time you will enjoy pleasant sunny weather, and the sea temperature of 25°C will allow you to relax in the azure waters of the Adriatic Sea.
