AMORE

AMORE, available for charter for the first time, is a 37-metre **Numarine** delivered in 2022 and designed with a strong emphasis on space, flexibility, and family-friendly living. She offers a layout rarely found in this size category, making her an appealing choice for guests seeking both comfort and versatility.

The configuration is one of **AMORE's** greatest strengths. She features six cabins, including a full-beam master suite on the upper deck with its own private aft terrace, as well as a spacious VIP suite on the main deck. Four additional guest cabins complete the arrangement, one of which is particularly well suited for a nanny or accompanying staff. A crew of eight provides attentive service and ensures absolute privacy throughout the charter experience.

AMORE's outdoor lifestyle is centred around a sun deck equipped with a jacuzzi, lounge spaces and an elevated dining area offering sweeping views. On the lower deck, guests will find a dedicated cinema room with reclining armchairs, a mini-bar and an ice maker — an ideal retreat after a day on the water. One of the yacht's standout features is her air-conditioned beach club, outfitted with soft seating, a bar and a convenient dayhead. This space acts as a comfortable hub for accessing the sea and enjoying the yacht's water toys.

For on-water fun, **AMORE** carries an impressive selection of equipment. Her two tenders, including a 29-foot Scout, are perfect for coastal exploration, shore transfers and leisurely outings. Guests can also enjoy jet skis, a Seabob, an e-foil, SUP boards, an inflatable slide, an Aquabana platform, along with fishing and snorkelling gear.

DESTINATIONS

BAHAMAS

The Bahamas consists of 700 islands and coral bays in a stunning archipelago that stands out for its breathtaking reefs. The port of Nassau is known as a place that has attracted pirates for centuries. Today, it is a popular place to start or end a charter vacation. The Exumas and Abaco are prime areas for cruising. Some people prefer to charter in Elutra, but this can be tricky as not many yachts are based there. The best option is to fly into Nassau, which has a major international airport with direct flights from various regions including Europe, the mainland US and Canada.

Bahamas are called paradise islands not only due to the azure water and snow-white sand, but also due to the fact that you can go here on vacation even all year round. The strip of annual Caribbean hurricanes pass through the archipelago infrequently. High season is considered the most comfortable time to stay in the Bahamas. It lasts from November to May.

Accordingly, the low season ...
