ARESYA

ARESYA, a 2025 Sanlorenzo SL120A, is a contemporary 37-metre yacht designed around the ideas of spatial efficiency and a constant connection with the sea. Her asymmetric layout - a hallmark of Sanlorenzo's architectural approach - expands the volume of the main salon, improves circulation between interior and exterior areas, and includes a fold-out balcony on the port side that opens the lounge directly to the water.

The exterior spaces aboard **ARESYA** are arranged to support a variety of lifestyle scenarios. A pair of terraces flank the aft garage, while the hydraulic transom lowers to create a generous beach platform at water level. The flybridge provides a calm, elevated retreat for daytime relaxation, equipped with a grill and sun loungers. Forward, a dedicated bow lounge connects seamlessly to the owner's suite, forming a private relaxation zone.

Accommodation is designed for up to 12 guests across five suites, including the master. The lower deck houses two double cabins and two twin cabins, each equipped with an additional Pullman berth to suit families or mixed groups. An eight-member crew delivers attentive service and ensures smooth operation throughout the yacht.

ARESYA carries a thoughtfully curated selection of water toys, including three Seabobs, two Liftfoil boards, various towables, a YachtBeach inflatable pool, and other gear for time on the water. Complementing the main yacht is a new Axopar 37 tender, ideal for swift transfers, coastal exploration and shoreside excursions.
