PROPOSITION

PROPOSITION is a brand-new 2025 **Azimut Magellano 30M**, and one of the few yachts of this series available for charter. Designed for extended life on board, she brings together economical cruising, a highly functional layout and contemporary Italian aesthetics.

The interior by Ken Freivokh is defined by soft tones, natural textures and panoramic glazing. The main salon flows seamlessly into the dining area and opens onto the aft lounge through large sliding glass doors, creating a single, airy social space.

PROPOSITION accommodates up to 11 guests. The full-beam master suite on the main deck offers sweeping views and a generous bathroom, while the lower deck houses two VIP cabins and two flexible guest cabins - one convertible to a queen, the other equipped with a Pullman berth.

Outdoor areas include a foredeck jacuzzi, a spacious flybridge ideal for open-air dining and relaxation, and a wide swim platform providing easy access to the sea.

The yacht carries a well-rounded collection of water toys: e-foil, Seabob, SUP boards, water skis and towables. Her primary tender - a 10 m Boston Whaler 330 Outrage — is perfectly suited for coastal exploration, transfers and day trips. A professional crew of five ensures attentive service and flexibility throughout the charter.

DESTINATIONS

BAHAMAS

The Bahamas consists of 700 islands and coral bays in a stunning archipelago that stands out for its breathtaking reefs. The port of Nassau is known as a place that has attracted pirates for centuries. Today, it is a popular place to start or end a charter vacation. The Exumas and Abaco are prime areas for cruising. Some people prefer to charter in Elutra, but this can be tricky as not many yachts are based there. The best option is to fly into Nassau, which has a major international airport with direct flights from various regions including Europe, the mainland US and Canada.

Bahamas are called paradise islands not only due to the azure water and snow-white sand, but also due to the fact that you can go here on vacation even all year round. The strip of annual Caribbean hurricanes pass through the archipelago infrequently. High season is considered the most comfortable time to stay in the Bahamas. It lasts from November to May.

Accordingly, the low season ...
