MOTOR YACHT

MOWANA

Sunseeker 86 Yacht MOWANA, built in 2023, is characterized by a stylish exterior design and excellent technical features. The yacht can accommodate up to 9 guests in 4 well-appointed cabins. Also on board at all times is an experienced crew of 4, who have been recognized for their long-standing commitment to excellent service.

The wide windows in the main salon offer magnificent panoramic views of the Adriatic Sea and natural light fills the space, creating a cozy environment for relaxing and entertaining. Here you will find a large dining area and cushioned sofas, ideal for spending evenings with family or friends.

The main deck impresses with a spacious forward galley that complements the open plan entertaining area. The galley can be fully enclosed, allowing the crew to move around the yacht unobtrusively, and is accessed from the main starboard control station, providing privacy for guests.

Another feature of **MOWANA** is the large exterior decks, which make the yacht appear larger than its actual size. The flybridge serves as a place for outdoor relaxation, with comfortable sofas next to the control station and a bar equipped with ice maker, grill and refrigerators.

The yacht also features a beach club, which is accessed via a wide staircase illuminated by built-in LED lights. Guests can enjoy an array of water toys including a speed tender, jet skis, SUP, inflatable toys and sibobs.

DESTINATIONS

CROATIA

Embark on a journey of unparalleled beauty in Croatia! Picture yourself sailing along the stunning Adriatic coastline, exploring hidden gems like Diocletian's Palace in Split. With crystal-clear waters, charming villages, and a rich history, Croatia is a dream destination for yacht charters. Indulge in the Mediterranean sun and create unforgettable memories on the open seas. Your Croatian yacht charter adventure awaits!

While Croatia enjoys a Mediterranean climate, the warmest period is during the European summer (July-August). However, booking a yacht charter in Croatia during the shoulder seasons (May-June or September-October) still provides warm weather for swimming in the Adriatic's crystal-clear waters, minus the peak tourist crowds.

DESTINATIONS

MONTENEGRO

Montenegro is the perfect charter destination, where centuries-old architecture blends perfectly with modern hotels, bars and restaurants. From sailing Montenegro's azure waters on a charter yacht to exploring forested mountains, rocky cliffs and small villages nestled on sheer cliffs, this tiny Balkan country is a paradise for discerning travelers.

You can cruise the stunning rocky shores of the Bay of Kotor, known as the southernmost fjord, where emerald cliffs rise above crystal clear blue waters, or the Lustica Peninsula. A cultural attraction since the 17th century is the Ostrog Monastery, located in Montenegro's vertical cliffs, where the remains of St. Basil of Ostrog are kept.

The best time to visit Montenegro is between May and October. At this time you will enjoy pleasant sunny weather, and the sea temperature of 25°C will allow you to relax in the azure waters of the Adriatic Sea.
