MOTOR YACHT

ALLIE

ALLIE is a 26.6-metre **Alalunga 85X Sport** - an open motor yacht designed for high-speed cruising and comfortable day or week-long trips. Built in 2008 and fully refitted in 2025, she blends **Alalunga's** signature sporty architecture with updated interiors and modern technical systems.

Her GRP hull and twin MTU 16V2000 M91 engines (2,400 hp each) deliver a cruising speed of around 35 knots and a top speed of up to 45 knots. A generous 6.2-metre beam provides noticeably more usable interior volume than most open yachts in this size category.

Accommodation is arranged for 8 guests in 4 ensuite cabins: a full-beam master amidships, a forward VIP, and two twin guest cabins. The crew of three is housed in a separate area, ensuring privacy for guests. The main deck integrates the aft cockpit and an open-plan salon, both of which received new furnishings, finishes, and lighting during the refit. A full air-conditioning system serves all interior spaces.

Outdoor areas include a large foredeck sunpad, an aft lounge, and a swim platform that facilitates access to the water and handling of water toys. **ALLIE** comes equipped with a Williams 325 tender, Seabob, SUP boards, a jellyfish-protective sea pool, inflatable toys, and snorkelling gear.

With its combination of speed, generous volume, and freshly upgraded condition, **ALLIE** is ideally suited for fast passages between Mediterranean resorts as well as relaxed anchorage stays with a complete set of amenities and water activities.
