EAU LA LA

EAU LA LA is a 37.7-meter motor yacht built by Numarine in 2023, offering accommodation for 12 guests in six cabins. The layout includes a master suite on the main deck, two VIP cabins, and three additional cabins located on the lower deck. With a steel hull and exceptional interior volume comparable to a 150-foot yacht, **EAU LA LA** offers a quiet and stable ride, as well as a sense of space rarely found on yachts of this size.

The upper deck of **EAU LA LA** is equipped with a Jacuzzi and an extended hardtop. The main deck layout is designed to seamlessly connect lounging areas, dining spaces, and a beach club.

At water level, a large swim platform provides direct access to the sea. **EAU LA LA** is equipped with a 45-foot Everglades tender with a half mast and four 425-horsepower outboard engines, making it perfect for fishing and active water activities. Additional equipment includes a 21-foot Goldenline G650 inflatable tender, two Subblue scooters, two 2024 Sea-Doo GTI SE jet skis, three Randon jet boards, four Ninebot Kick Scooters (electric scooters), and two FB Sport 11' inflatable paddleboards. Onboard, you'll also find a complete set of snorkeling gear, a waterslide, and a full beach set-up with chairs, tents, BBQs, and tables.

DESTINATIONS

BAHAMAS

The Bahamas consists of 700 islands and coral bays in a stunning archipelago that stands out for its breathtaking reefs. The best option is to fly into Nassau, which has a major international airport with direct flights from various regions including Europe, the mainland US and Canada.

Bahamas are called paradise islands not only due to the azure water and snow-white sand, but also due to the fact that you can go here on vacation even all year round. The strip of annual Caribbean hurricanes pass through the archipelago infrequently. High season is considered the most comfortable time to stay in the Bahamas. It lasts from November to May.
