KEFI

The 32-meter motor yacht **KEFI**, built by **Sunseeker**, accommodates up to eight guests in four cabins. The layout includes a full-beam master suite on the main deck, a VIP cabin, and two versatile double cabins that can be adapted to meet guests' needs. **KEFI** is a unique yacht in its series, built to MCA standards, ensuring the highest quality and attention to detail.

The interior of **KEFI**, designed by Ken Freivokh, features a modern style with sophisticated chocolate and cream tones. The spacious main salon is filled with natural light thanks to large windows and includes a lounge area and dining space, creating an ideal setting for meals and relaxation.

For outdoor enthusiasts, the yacht offers a flybridge with a bar and sunbeds, as well as an al fresco dining area in the cockpit. The beach club and an extensive selection of water toys, such as jet skis, paddleboards, kneeboards, and fishing gear, provide excellent opportunities for water-based activities. **KEFI** is also equipped with a 28-foot Sea Hunt tender from 2019.
