ROKO

ROKO is a 49-meter motor yacht designed for accommodating large groups and charter operations in the Mediterranean from 2027. The concept focuses on maximizing guest capacity, comfort, and functionality for extended stays and group experiences.

The layout accommodates up to 28 guests across 14 cabins, each with en-suite facilities, making her an ideal choice for family cruises, events, and group travel. Cabins are distributed across the upper and lower decks. On the upper deck, a 17 m² VIP suite features a double bed, a bathroom with both shower and bathtub, and a private terrace with a jacuzzi. This deck also includes eight convertible cabins of approximately 16 m² each, configurable as twin or double, all with private balconies. The lower deck houses five additional cabins of around 16.8 m², also with flexible twin/double configurations and en-suite bathrooms.

Interiors are designed in a modern, understated style, with a focus on comfort for extended stays. The main saloon and communal areas are arranged as a cohesive space with well-planned lighting, neutral finishes, and intuitive circulation. A dedicated cinema room further enhances the onboard experience.

Outdoor decks serve as the primary leisure areas, featuring lounge spaces, alfresco dining zones, a jacuzzi, sauna, and barbecue area. The layout is equally suited for relaxation and hosting events.

For active guests, **ROKO** offers a wide selection of water toys, including a jet ski, two seabobs, an e-foil, three paddleboards, a kayak, water skis, a water slide, and an inflatable platform.

Operations are supported by a professional crew of 12, ensuring high standards of service, navigation, and itinerary management.

ROKO stands out for her high guest capacity, practical layout, and well-developed onboard infrastructure, offering a comfortable and versatile charter platform for large gro...

DESTINATIONS

CROATIA

Embark on a journey of unparalleled beauty in Croatia! Picture yourself sailing along the stunning Adriatic coastline, exploring hidden gems like Diocletian's Palace in Split. With crystal-clear waters, charming villages, and a rich history, Croatia is a dream destination for yacht charters. Indulge in the Mediterranean sun and create unforgettable memories on the open seas. Your Croatian yacht charter adventure awaits!

While Croatia enjoys a Mediterranean climate, the warmest period is during the European summer (July-August). However, booking a yacht charter in Croatia during the shoulder seasons (May-June or September-October) still provides warm weather for swimming in the Adriatic's crystal-clear waters, minus the peak tourist crowds.

DESTINATIONS

GREECE

Greece, a land of fabulous beauty, remains one of the world's most popular travel destinations and has almost 15,000 kilometers of coastline and over 2,000 islands, of which only 170 are inhabited.

There is no better way to explore the beauty of the Greek islands and the coastline of mainland Greece than on a private yacht. By chartering a yacht, you can see unique landscapes and experience the culture of several islands in a short period of time. Some of the islands have airports, making it possible to get to the yacht fairly quickly. The islands are close to each other, and the term "island-hopping" is used here for a reason. You can easily visit a dozen islands during a short cruise, explore isolated beaches with their unique local culture and taste the freshest national food.

Greece has over 250 days of sunshine a year and a typical Mediterranean climate with hot, dry summers. The peak cruising season is the summer from June to August, however, May, Sep...
