Outdoor decks form the core of the onboard lifestyle. The spacious sundeck features a bar, two jacuzzis, and multiple social areas. Additional alfresco dining spaces and an extended swim platform provide easy access to the water and enhance the overall onboard experience.

A unique highlight is the floating pickleball court, adding a distinctive option for active entertainment at sea. The yacht is also equipped with an extensive range of water toys, including a Sea-Doo jet ski, seabob, e-foil, water skis, wakeboard, inflatables, kayaks, paddleboards, a water slide, and a floating platform.

ARETHA combines high guest capacity, развитую onboard infrastructure, and a wide variety of leisure options, offering a versatile solution in the large charter yacht segment - ideal for group travel, events, and extended cruising.

DESTINATIONS

CROATIA

Embark on a journey of unparalleled beauty in Croatia! Picture yourself sailing along the stunning Adriatic coastline, exploring hidden gems like Diocletian's Palace in Split. With crystal-clear waters, charming villages, and a rich history, Croatia is a dream destination for yacht charters. Indulge in the Mediterranean sun and create unforgettable memories on the open seas. Your Croatian yacht charter adventure awaits!

While Croatia enjoys a Mediterranean climate, the warmest period is during the European summer (July-August). However, booking a yacht charter in Croatia during the shoulder seasons (May-June or September-October) still provides warm weather for swimming in the Adriatic's crystal-clear waters, minus the peak tourist crowds.

DESTINATIONS

GREECE

Greece, a land of fabulous beauty, remains one of the world's most popular travel destinations and has almost 15,000 kilometers of coastline and over 2,000 islands, of which only 170 are inhabited.

There is no better way to explore the beauty of the Greek islands and the coastline of mainland Greece than on a private yacht. By chartering a yacht, you can see unique landscapes and experience the culture of several islands in a short period of time. Some of the islands have airports, making it possible to get to the yacht fairly quickly. The islands are close to each other, and the term "island-hopping" is used here for a reason. You can easily visit a dozen islands during a short cruise, explore isolated beaches with their unique local culture and taste the freshest national food.

Greece has over 250 days of sunshine a year and a typical Mediterranean climate with hot, dry summers. The peak cruising season is the summer from June to August, however, May, Sep...
