MOTOR YACHT

ALKHADRA

The motor yacht **ALKHADRA**, built by Gulf Craft in 2023, is a **Majesty 111** model measuring approximately 34.1 meters in length, with a beam of 7.2 meters and a draft of 1.7 meters. Both her exterior and interior were designed by Phathom Studio, creating a cohesive and contemporary aesthetic.

She is powered by twin MAN diesel engines, allowing for a top speed of up to 20 knots and a cruising speed of around 12 knots.

The layout accommodates up to 12 guests across 6 cabins - an uncommon advantage for yachts of this size. A crew of six is housed in separate quarters, ensuring a consistent level of service and guest privacy. Interior spaces are designed with an emphasis on practicality and efficient use of volume.

Outdoor areas offer a variety of leisure options, including a flybridge with a jacuzzi, bar, and open-air lounge spaces. The aft section features a swim platform and a garage for a tender, providing easy water access and convenient storage.

Underwater lighting enhances the atmosphere during evening hours.

For active use, **ALKHADRA** is equipped with a selection of water toys, including a wakeboard, water skis, paddleboard, seabob, and inflatable towables.

Operating in both the Mediterranean and the Caribbean, **ALKHADRA** represents a modern and versatile solution in the sub-35-meter segment, with a strong focus on capacity, functionality, and charter comfort.
