MOTOR YACHT

MEMORIES TOO

MEMORIES TOO is a 30-metre motor yacht delivered in 2019 by **Azimut Yachts**. Her exterior styling is by Stefano Righini, with interiors designed by Salvagni Architetti, reflecting a contemporary Italian approach that balances elegance, functionality, and comfort.

Constructed in GRP with a planing hull, **MEMORIES TOO** offers an efficient combination of performance and fuel economy.

Accommodation is arranged for up to 12 guests across five staterooms. The full-beam master suite is located on the main deck, complemented by a VIP cabin, two double cabins, and two twin cabins with additional Pullman berths. All staterooms are en-suite. Separate crew quarters for up to six ensure smooth onboard service.

The main deck is designed to maximize natural light, with a panoramic saloon seamlessly integrated with the dining area and offering direct access to the aft cockpit, creating a cohesive and highly functional living space.

Exterior areas provide a variety of lifestyle options. The aft deck is ideal for al fresco dining, the foredeck lounge features sunpads for relaxation, and the flybridge - one of the key social areas onboard - offers a bar, lounge seating, and additional space for entertaining.

For water-based activities, **MEMORIES TOO** is equipped with a Williams tender (approx. 4 metres), as well as a selection of water toys including water skis, two Seabobs, kayaks, SUP boards, inflatable towables, and equipment for fishing and snorkeling.

DESTINATIONS

GREECE

Greece, a land of fabulous beauty, remains one of the world's most popular travel destinations and has almost 15,000 kilometers of coastline and over 2,000 islands, of which only 170 are inhabited.

There is no better way to explore the beauty of the Greek islands and the coastline of mainland Greece than on a private yacht. By chartering a yacht, you can see unique landscapes and experience the culture of several islands in a short period of time. Some of the islands have airports, making it possible to get to the yacht fairly quickly. The islands are close to each other, and the term "island-hopping" is used here for a reason. You can easily visit a dozen islands during a short cruise, explore isolated beaches with their unique local culture and taste the freshest national food.

Greece has over 250 days of sunshine a year and a typical Mediterranean climate with hot, dry summers. The peak cruising season is the summer from June to August, however, May, Sep...

DESTINATIONS

TURKEY

A typical day on a private yacht in Turkey is as much about water activities as it is about endless coastal walks. Look around and you'll find extraordinary stone slabs of cliffs on steep, winding shores, sleepy hilltop villages and ancient ruins - relics of mighty empires - living out their days in the dense coastal vegetation. Boat transitions between islands can be short, giving you the opportunity to enjoy peaceful morning wakes and lazy strolls around the islands and small villages. And if the hiking proves to be too much, you can re-board and relax in the shade on the deck of your yacht. Turkey is a country with a rather hot climate, during the summer season, from June to August, temperatures can rise above 40°C, however, May, September and October are the most pleasant months for chartering in this region, the temperature drops to around 20-25°C and you can comfortably enjoy your trip.
