MOTOR YACHT

HAPPY ISLAND

HAPPY ISLAND is a 30.5-metre motor yacht delivered in 2026 by **Maiora**, representing a contemporary platform designed for comfortable Mediterranean charter cruising.

The **Maiora 30** concept is centered on open-air living and easy movement between the yacht's principal areas. Wide side decks allow guests to circulate freely, while the expansive flybridge - measuring approximately 120 square metres - serves as the yacht's main social hub. This area is arranged for sunbathing, lounging, al fresco dining, and evening gatherings.

Aft, the yacht features a beach-style area with integrated seating, a shower, and a swim platform providing direct access to the sea. The side garage is designed to house the tender and water toys, with a launch system that allows the tender to be deployed without disrupting the aft guest area. This practical arrangement improves operational efficiency while preserving privacy and comfort at anchor. Accommodation is arranged for up to 10 guests across five en-suite staterooms. The master suite is located on the main deck, while the lower deck includes two VIP cabins with double beds and two convertible cabins that can be configured as twins or doubles.

For water activities, **HAPPY ISLAND** carries a 5.10-metre BSC tender with a 40 hp engine, two Seabobs, and snorkeling equipment.

A particular strength of **HAPPY ISLAND** is the onboard culinary experience. Chef Cristian Cleri brings experience from the events sector, including Grand Prix hospitality, reflected in precise service, careful presentation, and the ability to adapt Italian cuisine to guest preferences.

Modern, spacious, and highly practical for charter use, **HAPPY ISLAND** combines open-air Mediterranean living with thoughtful deck organization and a strong gastronomic focus.

DESTINATIONS

CROATIA

Embark on a journey of unparalleled beauty in Croatia! Picture yourself sailing along the stunning Adriatic coastline, exploring hidden gems like Diocletian's Palace in Split. With crystal-clear waters, charming villages, and a rich history, Croatia is a dream destination for yacht charters. Indulge in the Mediterranean sun and create unforgettable memories on the open seas. Your Croatian yacht charter adventure awaits!

While Croatia enjoys a Mediterranean climate, the warmest period is during the European summer (July-August). However, booking a yacht charter in Croatia during the shoulder seasons (May-June or September-October) still provides warm weather for swimming in the Adriatic's crystal-clear waters, minus the peak tourist crowds.

DESTINATIONS

GREECE

Greece, a land of fabulous beauty, remains one of the world's most popular travel destinations and has almost 15,000 kilometers of coastline and over 2,000 islands, of which only 170 are inhabited.

There is no better way to explore the beauty of the Greek islands and the coastline of mainland Greece than on a private yacht. By chartering a yacht, you can see unique landscapes and experience the culture of several islands in a short period of time. Some of the islands have airports, making it possible to get to the yacht fairly quickly. The islands are close to each other, and the term "island-hopping" is used here for a reason. You can easily visit a dozen islands during a short cruise, explore isolated beaches with their unique local culture and taste the freshest national food.

Greece has over 250 days of sunshine a year and a typical Mediterranean climate with hot, dry summers. The peak cruising season is the summer from June to August, however, May, Sep...

DESTINATIONS

MONTENEGRO

Montenegro is the perfect charter destination, where centuries-old architecture blends perfectly with modern hotels, bars and restaurants. From sailing Montenegro's azure waters on a charter yacht to exploring forested mountains, rocky cliffs and small villages nestled on sheer cliffs, this tiny Balkan country is a paradise for discerning travelers.

You can cruise the stunning rocky shores of the Bay of Kotor, known as the southernmost fjord, where emerald cliffs rise above crystal clear blue waters, or the Lustica Peninsula. A cultural attraction since the 17th century is the Ostrog Monastery, located in Montenegro's vertical cliffs, where the remains of St. Basil of Ostrog are kept.

The best time to visit Montenegro is between May and October. At this time you will enjoy pleasant sunny weather, and the sea temperature of 25°C will allow you to relax in the azure waters of the Adriatic Sea.
