MOTOR YACHT

FAST

Motor yacht **FAST**, measuring 26.95 metres, was built by **Ferretti Yachts** in 2025. She combines contemporary Italian design, dynamic cruising performance and a comfortable layout created for relaxed time on the water and family cruising. Her hull and superstructure are built in GRP, reflecting Ferretti's modern approach to lightweight, strong and efficient motor yacht construction. **FAST's** exterior profile reflects the shipyard's signature style: clean lines, balanced proportions and a modern silhouette without unnecessary visual complexity. At just under 27 metres, she offers generous volume and well-organised guest spaces.

The exterior decks are designed with outdoor living in mind. Spacious sunbathing areas, dining spaces and lounge zones create a comfortable setting for breakfasts and dinners in the open air, relaxed days at anchor and informal moments with family or friends. The layout allows for easy flow between the interior and exterior areas, which is especially important for the Mediterranean style of yachting.

The main salon combines a comfortable lounge area with an elegant dining space, creating a versatile setting for entertaining guests, unwinding after an active day on the water or enjoying a quiet evening on board.

The accommodation layout welcomes up to 8 guests in four cabins on the lower deck. The configuration includes the owner's cabin, a VIP cabin, a double cabin and a twin cabin that can be converted into a double.

For fun on the water, **FAST** offers a strong selection of water toys. Her equipment includes a Williams 395 Jet Tender, a new Seabob F9, a Sea-Doo GT jet ski, a two-person kayak, a stand-up paddleboard, inflatable banana and donut towables, an inflatable swimming pool and fishing gear.

A professional crew of up to four looks after guest service, navigation and support for water activities throughout the charter.

DESTINATIONS

CROATIA

Embark on a journey of unparalleled beauty in Croatia! Picture yourself sailing along the stunning Adriatic coastline, exploring hidden gems like Diocletian's Palace in Split. With crystal-clear waters, charming villages, and a rich history, Croatia is a dream destination for yacht charters. Indulge in the Mediterranean sun and create unforgettable memories on the open seas. Your Croatian yacht charter adventure awaits!

While Croatia enjoys a Mediterranean climate, the warmest period is during the European summer (July-August). However, booking a yacht charter in Croatia during the shoulder seasons (May-June or September-October) still provides warm weather for swimming in the Adriatic's crystal-clear waters, minus the peak tourist crowds.

DESTINATIONS

MONTENEGRO

Montenegro is the perfect charter destination, where centuries-old architecture blends perfectly with modern hotels, bars and restaurants. From sailing Montenegro's azure waters on a charter yacht to exploring forested mountains, rocky cliffs and small villages nestled on sheer cliffs, this tiny Balkan country is a paradise for discerning travelers.

You can cruise the stunning rocky shores of the Bay of Kotor, known as the southernmost fjord, where emerald cliffs rise above crystal clear blue waters, or the Lustica Peninsula. A cultural attraction since the 17th century is the Ostrog Monastery, located in Montenegro's vertical cliffs, where the remains of St. Basil of Ostrog are kept.

The best time to visit Montenegro is between May and October. At this time you will enjoy pleasant sunny weather, and the sea temperature of 25°C will allow you to relax in the azure waters of the Adriatic Sea.
