## SWEET VIRGINIA

**SWEET VIRGINIA** is a 29.26-metre **Sanlorenzo SL96A** built in 2022. The yacht is centred around Sanlorenzo's signature asymmetric architecture, designed to increase interior volume while creating a more natural and open connection between the interior spaces and the sea.

The defining feature of the **SL96A** platform is its asymmetric main-deck layout, which increases usable interior space by approximately 15%. Combined with floor-to-ceiling panoramic glazing, this creates an exceptionally bright and spacious interior with uninterrupted sea views throughout the main living areas.

The interior follows **Sanlorenzo's** characteristic contemporary and understated aesthetic, with an emphasis on comfort, natural light, and smooth transitions between indoor and outdoor spaces. The main saloon and dining area feel particularly spacious for a yacht of this size.

Accommodation is arranged for up to 8 guests in 4 cabins. The owner's suite is positioned on the main deck and features a king-size bed, panoramic windows, and a private en-suite bathroom. On the lower deck are two VIP cabins and a convertible twin cabin that can also be configured as a double.

Exterior areas are organised around a relaxed onboard lifestyle. The yacht offers several lounge areas, open-air dining spaces, and private relaxation zones designed for comfortable time at anchor and coastal cruising.

**SWEET VIRGINIA** is powered by twin MTU V16 engines producing 2,400 hp each, delivering strong performance together with comfortable cruising capability. A chase tender and selection of water toys complement the onboard experience and support active days on the water.

A crew of 4 provides personalised service and maintains a relaxed and comfortable atmosphere throughout the charter experience.

Combining Sanlorenzo build quality, innovative asymmetric architecture, and contemporary Itali...

# DESTINATIONS

## BAHAMAS

The Bahamas consists of 700 islands and coral bays in a stunning archipelago that stands out for its breathtaking reefs. The port of Nassau is known as a place that has attracted pirates for centuries. Today, it is a popular place to start or end a charter vacation. The Exumas and Abaco are prime areas for cruising. Some people prefer to charter in Elutra, but this can be tricky as not many yachts are based there. The best option is to fly into Nassau, which has a major international airport with direct flights from various regions including Europe, the mainland US and Canada.

Bahamas are called paradise islands not only due to the azure water and snow-white sand, but also due to the fact that you can go here on vacation even all year round. The strip of annual Caribbean hurricanes pass through the archipelago infrequently. High season is considered the most comfortable time to stay in the Bahamas. It lasts from November to May.

Accordingly, the low season ...
