BALANCE

BALANCE is a brand-new **Azimut 82 Fly** delivered in 2026, combining contemporary Italian design, thoughtfully designed outdoor living spaces and impressive performance. Created for comfortable cruising along the Adriatic coast, she offers a refined charter experience centred around relaxation, versatility and a close connection to the sea.

One of **BALANCE's** defining features is **Azimut's** innovative Deck2Deck™ concept, which transforms the aft cockpit into an expansive waterside terrace. This unique design significantly increases the available outdoor living space and creates a seamless relationship between the yacht and the surrounding environment, bringing guests closer to the water than ever before.

Powered by three Volvo Penta IPS 1350 engines, **BALANCE** reaches speeds of up to 32 knots while delivering excellent manoeuvrability and efficient cruising performance. The advanced IPS propulsion system makes island hopping, exploring secluded bays and navigating vibrant coastal towns both smooth and enjoyable. The spacious flybridge serves as the yacht's primary outdoor social hub, featuring an al fresco dining area, bar, generous lounge spaces and panoramic views. Forward, guests can enjoy an additional sunbathing and relaxation area, while the hydraulic swim platform and Deck2Deck™ terrace create an inviting waterside environment for swimming, launching water toys and spending long days at anchor.

The interior, designed by Fabio Fantolino, reflects a contemporary Italian aesthetic with clean lines, elegant materials and abundant natural light. Large panoramic windows surround the main saloon, while the open-plan layout seamlessly connects the lounge and dining areas, creating a bright and welcoming atmosphere for life on board.

Accommodation is provided for up to 8 guests in 4 en-suite cabins. The layout includes a full-beam master suite, a VIP cabin, one dou...

DESTINATIONS

CROATIA

Embark on a journey of unparalleled beauty in Croatia! Picture yourself sailing along the stunning Adriatic coastline, exploring hidden gems like Diocletian's Palace in Split. With crystal-clear waters, charming villages, and a rich history, Croatia is a dream destination for yacht charters. Indulge in the Mediterranean sun and create unforgettable memories on the open seas. Your Croatian yacht charter adventure awaits!

While Croatia enjoys a Mediterranean climate, the warmest period is during the European summer (July-August). However, booking a yacht charter in Croatia during the shoulder seasons (May-June or September-October) still provides warm weather for swimming in the Adriatic's crystal-clear waters, minus the peak tourist crowds.

DESTINATIONS

MONTENEGRO

Montenegro is the perfect charter destination, where centuries-old architecture blends perfectly with modern hotels, bars and restaurants. From sailing Montenegro's azure waters on a charter yacht to exploring forested mountains, rocky cliffs and small villages nestled on sheer cliffs, this tiny Balkan country is a paradise for discerning travelers.

You can cruise the stunning rocky shores of the Bay of Kotor, known as the southernmost fjord, where emerald cliffs rise above crystal clear blue waters, or the Lustica Peninsula. A cultural attraction since the 17th century is the Ostrog Monastery, located in Montenegro's vertical cliffs, where the remains of St. Basil of Ostrog are kept.

The best time to visit Montenegro is between May and October. At this time you will enjoy pleasant sunny weather, and the sea temperature of 25°C will allow you to relax in the azure waters of the Adriatic Sea.
