ARKTOS

ARKTOS is a brand-new **Lagoon Eighty 2** catamaran delivered in 2025 by **CNB Bordeaux**. Combining generous living spaces, contemporary design and exceptional comfort, she offers a relaxed and refined cruising experience throughout the Western Mediterranean.

Designed for guests who value space, privacy and a close connection to the sea, **ARKTOS** benefits from an impressive 11-metre beam, creating remarkably spacious interiors and expansive outdoor living areas rarely found on yachts of comparable length.

Accommodation is arranged for up to 8 guests in 4 en-suite cabins. The standout feature is the spacious owner's suite, which enjoys direct access from the forward salon to a private terrace positioned just above the water, creating a unique and tranquil retreat. The remaining guest cabins are equally comfortable and well suited to extended cruising, offering privacy and relaxation throughout the voyage.

The expansive flybridge serves as the yacht's primary outdoor social space, featuring comfortable lounge areas and panoramic views. Multiple dining and relaxation zones throughout the yacht allow guests to enjoy life outdoors from morning through evening, whether gathering for breakfast in the sunshine or dining beneath the stars.

Wide side decks, a spacious aft cockpit and an inviting swim platform provide easy access to the sea and make time at anchor particularly enjoyable. Swimming, paddleboarding and other water activities become a natural part of everyday life on board.

A professional crew of 4, led by Captain Geoffrey Vidale-Noyel, delivers attentive service and can tailor each itinerary to guests' individual preferences, ensuring a seamless and personalised charter experience.

Combining the volume and stability of a modern luxury catamaran with elegant design and thoughtful outdoor living spaces, **ARKTOS** offers a contemporary yachting experie...

DESTINATIONS

CROATIA

Embark on a journey of unparalleled beauty in Croatia! Picture yourself sailing along the stunning Adriatic coastline, exploring hidden gems like Diocletian's Palace in Split. With crystal-clear waters, charming villages, and a rich history, Croatia is a dream destination for yacht charters. Indulge in the Mediterranean sun and create unforgettable memories on the open seas. Your Croatian yacht charter adventure awaits!

While Croatia enjoys a Mediterranean climate, the warmest period is during the European summer (July-August). However, booking a yacht charter in Croatia during the shoulder seasons (May-June or September-October) still provides warm weather for swimming in the Adriatic's crystal-clear waters, minus the peak tourist crowds.

DESTINATIONS

GREECE

Greece, a land of fabulous beauty, remains one of the world's most popular travel destinations and has almost 15,000 kilometers of coastline and over 2,000 islands, of which only 170 are inhabited.

There is no better way to explore the beauty of the Greek islands and the coastline of mainland Greece than on a private yacht. By chartering a yacht, you can see unique landscapes and experience the culture of several islands in a short period of time. Some of the islands have airports, making it possible to get to the yacht fairly quickly. The islands are close to each other, and the term "island-hopping" is used here for a reason. You can easily visit a dozen islands during a short cruise, explore isolated beaches with their unique local culture and taste the freshest national food.

Greece has over 250 days of sunshine a year and a typical Mediterranean climate with hot, dry summers. The peak cruising season is the summer from June to August, however, May, Sep...

DESTINATIONS

MONTENEGRO

Montenegro is the perfect charter destination, where centuries-old architecture blends perfectly with modern hotels, bars and restaurants. From sailing Montenegro's azure waters on a charter yacht to exploring forested mountains, rocky cliffs and small villages nestled on sheer cliffs, this tiny Balkan country is a paradise for discerning travelers.

You can cruise the stunning rocky shores of the Bay of Kotor, known as the southernmost fjord, where emerald cliffs rise above crystal clear blue waters, or the Lustica Peninsula. A cultural attraction since the 17th century is the Ostrog Monastery, located in Montenegro's vertical cliffs, where the remains of St. Basil of Ostrog are kept.

The best time to visit Montenegro is between May and October. At this time you will enjoy pleasant sunny weather, and the sea temperature of 25°C will allow you to relax in the azure waters of the Adriatic Sea.
