1 LORENA

1 LORENA is a brand-new **Sunseeker 90 Ocean**, offering a fresh approach to onboard living within the 27-metre yacht segment. Built around Sunseeker's innovative **Ocean Series** concept, she delivers significantly increased interior volume, expansive glazing and a seamless connection between indoor and outdoor living spaces.

One of the yacht's defining features is her floor-to-ceiling panoramic windows, which flood the interior with natural light while providing uninterrupted views of the surrounding seascape. The open-plan main saloon combines lounge, dining and social areas into a single welcoming space, creating an atmosphere that feels remarkably spacious and comfortable for extended stays on board.

Accommodation is arranged for up to 8 guests in 4 cabins. The full-beam master suite is positioned amidships and features a double bed, private lounge area, generous storage and an en-suite bathroom. The VIP cabin benefits from its own dedicated staircase, providing an additional level of privacy. Completing the accommodation are a double guest cabin and a twin cabin that can be adapted to suit different guest configurations.

The aft deck is designed around a flexible seating arrangement, allowing the layout to be reconfigured according to the occasion, whether for relaxing, socialising or dining outdoors. A hydraulic swim platform provides easy access to the water while extending the usable space at sea level.

Forward, guests can enjoy sun loungers and an additional lounge area, while the spacious flybridge serves as the yacht's primary outdoor social hub. Here, a dining area, bar, comfortable seating and a retractable sunshade create a versatile space that can be enjoyed in both sunshine and shade.

For guests looking to make the most of their time on the water, **1 LORENA** is equipped with a selection of water toys including a Seabob, SeaScooter, paddleboard, snorkelli...

DESTINATIONS

BAHAMAS

The Bahamas consists of 700 islands and coral bays in a stunning archipelago that stands out for its breathtaking reefs. The port of Nassau is known as a place that has attracted pirates for centuries. Today, it is a popular place to start or end a charter vacation. The Exumas and Abaco are prime areas for cruising. The best option is to fly into Nassau, which has a major international airport with direct flights from various regions including Europe, the mainland US and Canada.

Bahamas are called paradise islands not only due to the azure water and snow-white sand, but also due to the fact that you can go here on vacation even all year round. The strip of annual Caribbean hurricanes pass through the archipelago infrequently. High season is considered the most comfortable time to stay in the Bahamas. It lasts from November to May.
