MIIA

MIIA is the world's first **Sunreef ULTIMA 88** available for charter. Delivered in 2025, she represents a new generation of contemporary multihull yachts, combining the spaciousness of a catamaran platform with modern design, exceptional comfort and a fresh approach to life on the water.

Thanks to her wide beam and innovative layout, **MIIA** offers an impressive amount of interior volume rarely found on a yacht of comparable length. Expansive panoramic glazing fills the interiors with natural light while providing uninterrupted sea views from almost every area on board, creating a bright and welcoming atmosphere throughout the yacht.

Accommodation is arranged for up to 8 guests in 4 cabins. Each cabin has been designed in a contemporary style and offers a high level of comfort, privacy and functionality, making **MIIA** equally suited to family holidays and charters with friends.

Outdoor living plays a central role in the yacht's design. Spacious decks, multiple lounge areas and al fresco dining spaces encourage guests to spend most of their time enjoying the open air. One of the yacht's standout features is her generous beach club, positioned directly at water level and providing an inviting space to relax beside the sea.

A panoramic Jacuzzi further enhances the onboard experience, creating a comfortable retreat for both daytime relaxation and evening gatherings while enjoying the surrounding views.

For guests looking to make the most of their time on the water, **MIIA** is equipped with an excellent selection of water toys, including two Seabobs, two eFoils, two kayaks and two paddleboards, offering plenty of opportunities to explore the coastline and enjoy active days at sea.

Throughout the charter, guests are looked after by a professional crew of 4, providing attentive service, itinerary planning and assistance with onboard activities to ensure a se...

DESTINATIONS

BAHAMAS

The Bahamas consists of 700 islands and coral bays in a stunning archipelago that stands out for its breathtaking reefs. The port of Nassau is known as a place that has attracted pirates for centuries. Today, it is a popular place to start or end a charter vacation. The Exumas and Abaco are prime areas for cruising. Some people prefer to charter in Elutra, but this can be tricky as not many yachts are based there. The best option is to fly into Nassau, which has a major international airport with direct flights from various regions including Europe, the mainland US and Canada.

Bahamas are called paradise islands not only due to the azure water and snow-white sand, but also due to the fact that you can go here on vacation even all year round. The strip of annual Caribbean hurricanes pass through the archipelago infrequently. High season is considered the most comfortable time to stay in the Bahamas. It lasts from November to May.

Accordingly, the low season ...
