KING BENJI

KING BENJI is a 46.94-metre explorer yacht delivered by **Dunya Yachts** in 2024 to a design by Gregory C. Marshall. Widely regarded as one of the most celebrated new charter yachts on the global market, she combines the capability and long-range credentials of a true explorer yacht with an exceptional level of comfort, originality and guest experience.

Since her launch, **KING BENJI** has attracted significant attention throughout the yachting industry. She appeared on the cover of *BOAT International* in 2024 and went on to receive the prestigious Best Interior Design award in the category for yachts over 40 metres and under 499 GT at the 2025 *BOAT International Design & Innovation Awards*.

One of the yacht's most distinctive features is her entirely private owner's deck, which becomes an exclusive retreat for the principal charter guest. The full-beam master suite features a California king bed, floor-to-ceiling glazing, private terraces and an outdoor shower. Forward, guests can enjoy Japanese-inspired hot and cold plunge pools overlooking the bow, creating a unique wellness experience rarely found aboard a yacht of this size.

The interior, designed by Design Unlimited, combines natural wood, leather and bamboo finishes to create a warm, inviting atmosphere that feels equally suited to adventure and extended time on board.

At the heart of the guest experience is an open-air teppanyaki bar with panoramic views, designed as a central gathering point for socialising and dining. In total, **KING BENJI** offers ten distinct outdoor dining and lounge areas, including a crow's nest with 360-degree views, multiple deck lounges and expansive alfresco dining spaces distributed throughout the yacht.

Designed around exploration, connection with the sea and exceptional outdoor living, **KING BENJI** delivers a charter experience unlike that of a conventional motor yacht. Combi...
