MOTOR YACHT

ISOTTA

ISOTTA is a 30.15-meter motor yacht launched in 2023, serving as the flagship of the **Ferretti Yachts** range. Designed by Filippo Salvetti, her exterior lines are sleek and perfectly balanced, while her expansive decks create an ideal setting for outdoor living. The interiors by Ideaelitalia embrace a contemporary aesthetic with an emphasis on natural light, open volumes, and refined simplicity.

ISOTTA accommodates up to ten guests in five beautifully appointed staterooms. The full-beam owner's suite on the main deck features panoramic windows, a walk-in wardrobe, and a private en suite bathroom. On the lower deck, there are two VIP cabins and two twin guest cabins, each with en suite facilities.

The main salon offers an open-plan layout that seamlessly connects the lounge and dining area with the aft cockpit through large sliding glass doors. The galley, equipped with Miele appliances, can be conveniently separated from the guest area for added privacy during service.

Outdoor spaces are designed for a versatile and sociable lifestyle. The aft deck includes a lounge area with direct access to the swim platform and tender garage. The flybridge features an alfresco dining area for ten, a bar, sun loungers, and a retractable hardtop, while the foredeck lounge offers additional seating and sunbathing space with uninterrupted sea views.

Powered by twin MTU 16V 2000 M96L engines, **ISOTTA** reaches a top speed of 27 knots and cruises comfortably at 24 knots. She is equipped with Sleipner Vector VF1350 stabilizers, bow and stern thrusters, and twin 35 kW Kohler generators, ensuring smooth operation and excellent comfort at sea.

Built to RINA and MCA standards, **ISOTTA** combines the craftsmanship and innovation of **Ferretti Yachts** with the performance and versatility expected from a modern flagship — ready for both private cruising and commercial charter use.
