NORoader

NROADER is a 116-foot **Sunseeker** motor yacht delivered in 2020 and comprehensively refitted in 2023. Her upgrades include a redesigned upper deck with a new bar, a large dining table, a gym and extended aft sunpads. The main deck received dark-wood flooring, new soft furnishings, updated lighting and finishes. She is also equipped with Starlink Maritime Wi-Fi for fast, reliable connectivity at sea.

The open-plan main salon features a bar and formal dining area, while floor-to-ceiling windows flood the interior with natural light to create a bright, inviting atmosphere. Accommodation is for up to 12 guests in five staterooms, looked after by a crew of seven. The full-beam master suite on the main deck offers a vanity, comfortable lounge area and a two-level en suite bathroom. On the lower deck are two double VIP staterooms with walk-in wardrobes and two convertible guest cabins, each with twin beds and an additional Pullman berth, plus stylish bathrooms.

NROADER's exterior spaces provide a wealth of options for outdoor living, from the aft deck's dining area with U-shaped sofas to the flybridge with bar, lounge seating and retractable roof. Forward, a private foredeck lounge features a Jacuzzi, sunpads and a cinema setup with a four-metre outdoor screen and projector for open-air movie nights.
