T560 APACHE

T560 Apache is the newest 56-meter yacht from **Tankoa**, whose main feature is the maximum use of open spaces. The deep connection with nature is a trademark feature of this design. The beach yacht club includes many areas for recreation, communication and various activities.

The unique layout of the yacht moves the guest cabins to the main deck according to the wishes of the owners. The master cabin is a cozy shelter on the upper deck with wardrobes for him and her, as well as a private terrace with swimming pool. Behind the master cabin there is an upper salon, a place for rest or watching TV.

On the lower deck there is a fully equipped sports hall and spa, including a hammam and massage room. The outdoor beach club will enjoy panoramic views and fresh sea breeze during training. On the aft part of the yacht there are many areas for sunbathing, outdoor dining and lounge areas.
