MOTOR YACHT REGAL 12.75M 2021

FLAG - MONTENEGRO

MOTOR YACHT

## JULIA

The **42 Fly** is a versatile motor yacht that will suit both experienced and novice sailors, and is suitable for both short day trips and long offshore voyages.

Despite her compact size, this yacht provides spacious living space with a high level of comfort. The salon and cockpit are combined, creating a large open space with easy access to the swim platform. There are two cabins on the lower deck: the aft cabin with a double bed, which can be easily transformed from a double to two singles, and the forward cabin with a large double bed. The dining areas on the flybridge and aft will be very much appreciated by those who love comfortable outdoor activities.

The yacht has a maximum speed of 35 knots and a cruising speed of 27 knots. Thanks to the IPS drive, the yacht has excellent maneuverability and fuel efficiency. Her careful operation, low number of engine hours and servicing at Volvo Penta and Seakeeper authorized service centers ensure that the **42 Fly** is in practically new condition.
