MOTOR YACHT

SONNY II

Introducing **SONNY II (CL100)**, a luxurious motor yacht from the esteemed **Ferretti Custom Line 100** series, designed by Zuccon International Project. Accommodating up to 10 guests in five staterooms, including a master suite on the main deck and additional guest cabins below, **SONNY II** promises a luxurious and relaxing experience for all aboard.

The hull and superstructure of **SONNY II** are crafted from high-quality fiberglass and meet the rigorous standards of the RINA Class Certificate for Pleasure Yachts, ensuring both unrestricted navigation and structural integrity. The yacht is equipped with electro-hydraulic stabilizing fins and optional gyroscopic stabilizers, which minimize roll for a smoother ride.

Powered by twin MTU 16V 2000 M94 engines, each producing 2638 horsepower, **SONNY II** can reach a top speed of 27 knots and comfortably cruise at 24 knots. With a fuel capacity of 14,700 liters, she boasts a range of 450 nautical miles at economical cruising speed. The freshwater tanks hold 3000 liters, providing ample supply for extended voyages.

SONNY II's impressive leisure and entertainment facilities make her the perfect choice for socializing and entertaining family and friends. The flybridge is equipped with a hardtop, barbecue, and bar, ideal for alfresco dining and gatherings. Additional features include a starboard side balcony, a swim platform, and a garage housing a 4-meter Novurania tender with a 50hp Yamaha engine. Practical amenities, such as a Bosch washing machine and dryer in the crew area, ensure convenience and comfort for everyone on board.
