MOTOR YACHT

LIBERTY

LIBERTY is a 50-metre motor yacht built by **ISA Yachts** in 2011 and extensively refitted in 2021. She combines exceptional craftsmanship, reliable engineering, and a well-balanced design. Her sleek dark blue steel hull and silver aluminium superstructure create a contemporary and refined silhouette.

The yacht's exterior lines were penned by Andrea Vallicelli, showcasing clean, harmonious proportions. The expansive sundeck features a bar, barbecue, Jacuzzi, and generous lounge areas - ideal for relaxing or entertaining. Interior design by René van der Velden reflects a sophisticated modern style, blending light ash and rich walnut woods. Abundant natural light floods the living spaces through panoramic windows and skylights.

LIBERTY accommodates up to 13 guests across six cabins. The full-beam master suite is located on the main deck and boasts a private terrace, Jacuzzi, and walk-in wardrobe. The remaining guest cabins are situated on the lower deck, each with its own en-suite bathroom. A crew of nine is housed in separate quarters to ensure impeccable service and maximum privacy for guests.

Powered by twin MTU 12V 4000 M71 diesel engines, each delivering 2,480 hp, **LIBERTY** reaches a top speed of 17 knots and cruises comfortably at 12 knots. She offers an impressive range of up to 4,400 nautical miles, making her ideal for long-range cruising.
