## PATRONE 45

The **PATRONE 45** yacht embodies a unique blend of sporty elegance and traditional Ligurian style. On the spacious main deck, a large swim platform and cozy cockpit provide a sunbathing area that easily transforms into a dining space for up to 8 guests. The layout includes 2 to 3 cabins and two bathrooms, with the master cabin featuring a dedicated wardrobe area.

Owners and guests can enjoy the journey together in a spacious helm station designed for four, while the bow offers a 6-square-meter relaxation area, balancing the open freedom of a day cruiser with the comfort of a cabin cruiser. Powered by twin 440 hp Yanmar turbo-diesel engines, the **PATRONE 45** delivers impressive speed and stability, perfect for those who value performance at sea. Eco-conscious details, such as eco-friendly teak and low-impact paints, add a sustainable touch, making the **PATRONE 45** a luxurious yet environmentally mindful choice for discerning yacht owners.
