H3

The 105-meter superyacht **H3**, built by the renowned Dutch shipyard **Oceanco**, is a remarkable example of Northern European craftsmanship. Launched in 2024, this cutting-edge yacht flawlessly merges innovative design, luxury, and technical prowess. Its sleek exterior and meticulously designed interiors, crafted by Raymond Langton Design, set **H3** apart as an extraordinary vessel. Award-winning and offered with immediate delivery along with a shipyard warranty, **H3** presents a clear advantage over waiting years for a new build.

Equipped with twin MTU 16V 4000 M73L engines generating 3,862 horsepower each, **H3** achieves a maximum speed of 18 knots and boasts a range of 6,000 nautical miles at 14 knots. Built to IMO Tier III standards, the yacht underscores **Oceanco's** dedication to sustainable yachting and compliance with modern environmental regulations.

Accommodating up to 20 guests in 10 luxurious staterooms, **H3** offers an unmatched onboard lifestyle. The owner's suite features direct foredeck access, his-and-hers bathrooms, walk-in wardrobes, and a private lounge area. The VIP stateroom is equally impressive, with its own lounge and direct deck access.

H3 also features a helipad designed for an H155 helicopter, enabling seamless travel. The yacht's wellness area includes a beauty salon, gym, massage room, and hammam, creating an onboard sanctuary for relaxation and rejuvenation.

For aquatic adventures, **H3** comes equipped with an extensive collection of tenders and toys, including a 10.10-meter Compass Open Sport tender, an 11.10-meter Compass Limo tender, and two 6.20-meter Yachtwerft Meyer rescue tenders. These amenities ensure guests can explore destinations in ultimate comfort.

With **Oceanco's** celebrated reputation, advanced features, and immediate availability, **H3** offers a rare and exceptional opportunity in the luxury yacht market.
