MOTOR YACHT

RIVIERA LIVING

Launched in 2017, **RIVIERA LIVING** is a 35-meter motor yacht offering spacious interiors and well-organized outdoor areas. The wide main deck, high ceilings, and large windows create a bright, open atmosphere while maintaining comfort and privacy.

The yacht accommodates up to 10 guests in five cabins: a full-beam master suite on the main deck, three VIP cabins, and one guest cabin on the lower deck, all with en-suite bathrooms.

The flybridge features a bar, dining area, jacuzzi, and lounge zones, while the foredeck and aft deck provide additional areas for relaxation and entertainment. Powered by twin MAN MTU 16V 2000 M94 engines, **RIVIERA LIVING** reaches a cruising speed of 13 knots and a maximum speed of 16 knots, with a range of approximately 1,100 nautical miles. Navigation is supported by Furuno systems and Starlink SATCOM, while onboard entertainment includes a Crestron audiovisual system with Samsung TVs and Sonos audio. The galley and laundry are equipped with Miele and Liebherr appliances.

Combining spacious interiors, comfortable outdoor areas, and thoughtful onboard systems, **RIVIERA LIVING** provides an exceptional level of comfort for guests, making it ideal for extended cruises or relaxed escapes.
