GIOE I

GIOE I — a 30.48-metre **Tecnomar** motor yacht, launched in 2009 and refitted in 2022. She blends speed, comfort, and functional design, accommodating up to 12 guests in five cabins: a full-beam master suite, a VIP cabin, a double cabin, and two guest cabins with additional Pullman berths. A professional crew of five ensures attentive service and guest comfort.

The exterior spaces are designed for relaxation and socializing. The foredeck features sun loungers, the flybridge is equipped with lounge areas, and the aft deck offers an alfresco dining area under a canopy with panoramic views.

The interior is contemporary and finished in neutral tones, with large windows providing abundant natural light. The main salon and adjacent dining area create a spacious, bright environment for relaxation and entertaining.

GIOE I is powered by two MTU 16V4000M91 engines, each producing 4,000 hp, delivering a cruising speed of 23 knots and a maximum speed of 28 knots. The 2023 ONAN generators ensure reliable operation of all onboard systems.
