OTOCTONE

OTOCTONE is a 24-meter **Sunreef 80 Eco** catamaran featuring an electric propulsion system and integrated solar panels, delivering silent, efficient cruising with extended autonomy.
The yacht accommodates up to 9 guests in 4 cabins. The master cabin with a king-size bed and en-suite bathroom is located on the starboard side, the VIP cabin is forward on the starboard hull, and the port hull houses a family cabin with a double bed and an additional berth. All cabins feature en-suite bathrooms, safes, wooden flooring, and electric blinds.
The galley on the lower deck is fully equipped with Miele appliances, including refrigerators, freezers, oven, stove, and dishwasher. The salon features a leather sofa, Hi-Fi audio system, and satellite Wi-Fi.
Outdoor areas include a cockpit with a bar and grill, a flybridge, and a foredeck with sun loungers. The hydraulic platform converts into a swim zone, providing easy access to the water.
Navigation equipment includes Raymarine systems, radar, autopilot, GPS, AIS, VHF, wind and depth sensors, Inmarsat Fleet Xpress, and 5G/LTE with Starlink antennas.
The carbon fiber sail plan with electric winches includes a mainsail, genoa, and staysail. Safety systems comply with MCA Small Craft Code standards, including firefighting, life-saving equipment, and satellite monitoring.
OTOCTONE is ready for immediate use, combining sustainability, advanced technology, and comfort, offering owners a unique yachting experience without compromise.
