FLAG -

MOTOR YACHT

ALUNYA

Launched in 2023 by the Italian shipyard **Benetti**, the 49.9-metre motor yacht **ALUNYA** is the sixth hull of the **B.Now 50M** series. Designed by RWD in collaboration with Pierluigi Ausonio, she combines long-range capability, contemporary styling and a seamless connection between indoor and outdoor living areas.

A standout feature of **ALUNYA** is her Oasis-style aft deck on the main deck level. An infinity pool at water level and fold-down terraces extend the beach club to 36 m², creating a generous lounge area with panoramic sea views and direct access to the water.

Her interiors are styled with understated elegance and bespoke design elements.

ALUNYA accommodates up to 10 guests in five staterooms, including an owner's suite on the main deck with its own terrace, drop-down balcony, office area and en-suite bathroom. Four additional guest cabins are located on the lower deck. Six crew cabins provide accommodation for up to 11 crew members.

Twin MAN V12-1400 diesel engines deliver speeds of 12–16 knots and a transoceanic range of up to 4,500 nautical miles. A steel hull and composite superstructure ensure strength and stability. **ALUNYA** offers a blend of modern design, long-range performance and a thoughtfully planned layout.
